Presented to
The Gift

Congratulations on your 30th Anniversary! You have delighted the Bay Area with Charles Dickens' A Christmas Carol at no cost to the audience for three decades. Since its first presentation in 1985, over 150,000 people from all over the world have seen this spectacular production by the Notre Dame de Namur University Department of Theatre and Dance and the Performing Arts Company. In addition to being an outstanding performance that rekindles the holiday spirit every year, this event is a food and toy drive and audience members have contributed over 50 tons of food and 25,000 toys that have been distributed to local families. May you continue this wonderful tradition for at least another 30 years! You are truly a gift to our community.
